All-In-One DX730/032 PQQ10A-032013

Price $1,199.00 RRP AUD (inc. GST)

Overview

The Toshiba DX730 is the All-In-One computer centre of the home.

With its full HD 23" screen, terrific power and innovative technology features, this Toshiba All-In-One computer is designed to bring your family computing, entertainment and connectivity needs together. It truly is the computer centre of the home around which everyone will orbit.

A true computer chameleon, the All-In-One has the ability to change from a powerful PC workstation into a TV, stereo, Blu-ray™ player and gaming hub making it the perfect family addition!

Its suite of leading Toshiba technologies and features include USB Sleep-and-Charge letting you top up your phones, cameras and devices while your computer is turned off or sleeping. And to keep your kitchen bench free to chop, chat or cook, the All-In-One is beautifully designed to be sleek and compact with its own built-in hard drive and a wireless keyboard and mouse.

To keep you entertained, enjoy the incredible sound delivered through Dolby® audio-processing and ONKYO® speakers. You can enjoy the same beautiful sound even when your All-In-One is switched off or sleeping thanks to Toshiba's Sleep-and-Music feature.

Toshiba recommends Windows® 7.
